

## Zeta Force™

### The Ultra Biotic Advantage

Zeta Force™ is a proprietary formulation of organic ultra biotic extracts for those who want an alternative to toxic chemicals and artificial preservatives.

#### An Ultra biotic is not an Antibiotic!

Antibiotics are chemical toxins designed to kill bacteria. Unfortunately, antibiotics destroy beneficial as well as pathogenic organisms. An ultra biotic offers a nontoxic alternative, targeting pathogens while leaving beneficial microorganisms intact.

The ultra biotic benefits of Zeta Force™ are derived from a proprietary blend of botanical extracts formulated in a solution of plant based electrolytes rich in fulvic acid. This powerful combination is found only in Zeta force™!

#### Energy in a Bottle

Below is a sample of Zeta Force™ as seen through a special dark field microscope. In this view, Zeta Force™ appears as swirling “galaxies of energy.”

#### “Energy Active Zeta Force™”

Researchers have linked these luminous “points of light” with high concentrations of fulvic acid. These minute swirling spheres are also referred to as “somatids” in dark field analysis. Some research reveals these energy units are essential to life and the vitality of all living things. NutriLink’s premiere mineral supplements, Zeta Force™ and Mineral Force™, are concentrated sources of these important energy components.

#### Zeta Force™ with added Zeolite!

Zeolite is an intricate crystalline formation derived from molten volcanic minerals which have been fused with water. Seen under high magnification, this non-toxic mineral complex has a honeycomb-like structure composed of thousands of tiny micro-chambers. Zeolite’s negative electrical field allows it to attract positively charged toxins along with acid wastes, literally sweeping the body of biological debris like a miniature vacuum cleaner! Reported benefits of Zeolite include:

- Improved free radical absorption
- Improved detoxification
- Reduces acidosis; contributes to pH balance
- Granted U.S. Patent 6288045, “Epithelial cell cancer drug.”

## **ZETA FORCE™** **THE ULTRA BIOTIC SOLUTION**

For many individuals, achieving optimum health is an elusive goal. Progress can be especially difficult for those who suffer from acute or chronic health problems. NutriLink is pleased to introduce Zeta Force™, a powerful ally in helping you accomplish your health objectives.

- Zeta Force™ is formulated with a proprietary blend of botanically derived organic compounds which serve as a natural preservative and ultra biotic.\*
- Zeta Force™ provides nutritional support by supplying essential plant based minerals with the added benefits of fulvic acid.
- Zeta Force™ is energy infused using subtle energy technology to turn on the body's energy system!

### **Liberate Your Immune System**

Although we are generally unaware of it, we are under assault from hostile forces every day. Our natural defenses are continually challenged by viral, bacterial and fungal infections – even parasites found in air, food and water!

Zeta Force™ incorporates the unique benefits of a class of ultra biotic compounds found in nature. Research indicates that these compounds can positively impact a variety of health concerns and may prove beneficial for those interested in alternatives to toxic chemical therapies.<sup>1,2</sup> Zeta Force™ combines a blend of organic extracts, plant based minerals and high levels of fulvic acid to naturally supplement the immune system.

### **What are some of the benefits of these organic ultra biotic extracts?**

- Cellular membranes of pathogens are selectively weakened and destroyed.<sup>3</sup>
- Ultra biotic extracts show residual activity, biological stability and nontoxicity.<sup>4,5</sup>
- Anti-fungal properties have been demonstrated with a variety of mycotic forms, including Candida.<sup>6</sup>

*\*An ultra biotic is a nontoxic organic compound with antimicrobial characteristics that does not affect beneficial microflora or create microbial resistance.*

## **Increase Mineral Electrolytes with Zeta Force™**

Today we know that foods grown on typically mineral deficient soils are virtually devoid of the necessary trace minerals to sustain health and promote vitality.

For many years scientists and researchers have been sounding the alarm concerning the health dangers associated with chronic mineral deficiencies. According to Dr. Linus Pauling, twice Nobel Prize winning chemist, "All diseases are related to organic mineral deficiency."

Clearly, the body is on the hunt for organic minerals every day in its effort to resist disease. NutriLink's Zeta Force™ provides over 60 trace minerals in a plant based form that is bioavailable and easily absorbed!

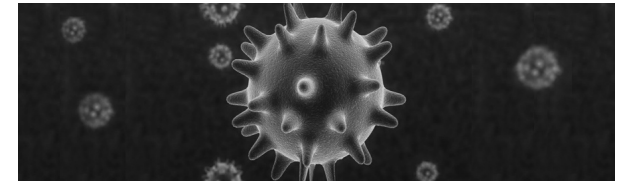

### **Enjoy the Powerful Benefits of Fulvic Acid!**

Zeta Force™ has the highest fulvic acid content (up to 42%) in tests comparing the mineral products of 130 companies! Fulvic acid (not to be confused with the B-vitamin, folic acid) is an organic molecule essential to the life processes of plants and animals.

### **The following are some of the amazing benefits of this remarkable organic compound**

- Fulvic acid has the ability to detoxify toxic substances: Pesticides, herbicides, heavy metals, even radioactive contaminants.<sup>11,12</sup>
- Fulvic Acid "supercharges" the immune system by inhibiting the replication of pathogens.<sup>13</sup>
- Fulvic acid has powerful anti-inflammatory and anti-oxidant properties.<sup>14</sup>
- Fulvic acid transforms toxic metals by turning them into readily absorbable bioavailable mineral forms that benefit the metabolism.<sup>15</sup>

- Zeta Force™ is naturally rich in fulvic acid!

## **Balance Your Body Energy Zeta Force™ is energy supercharged!**

*"The cell is a machine driven by energy."  
(Albert Szent-Gyorgyi)*

*"All systems in our body run on energy. All biochemical reactions are based on the exchange of energy.  
One could say that energy rules all life."  
(Dr. Yuri Kronn)*

In Western science, life has been traditionally defined in terms of biochemical processes and biological activity; yet, there is an underlying Subtle Energy component that is also essential for a healthy life. Disruption of cellular energy reduces the body's ability to absorb and utilize nutrients and significantly impairs recovery from illnesses or injuries.

Persistent low energy and chronic fatigue are associated with high-stress lifestyles. This low energy plague is the Epidemic of the 21st Century and is considered by many researchers to be a precursor to a host of degenerative and infectious diseases common today. Stressors that cause disharmony in our energy systems leave the body energetically depleted and thus vulnerable to accelerated deterioration and greater susceptibility to a host of health-threatening conditions.

Where do we find the necessary energy to jump start our stressed-out systems? The answer to cellular energy depletion has been found through recent discoveries in the field of Subtle Energy Physics. NutriLink's Zeta Force™ is the result of groundbreaking technologies based on this latest research. The organic mineral complex in Zeta Force™ is infused with over twenty beneficial bio-energetic patterns that help balance and support the complex energy requirements of the human body.

Through this proprietary bio-energetic process, combined with nontoxic ultra biotic botanicals, Zeta Force™ is the most powerful plant based mineral supplement of its kind ever developed!
